This Week's Lesson

A King's Wisdom

"The Wisdom of Solomon" serves as the focus of the Sunday School lesson for today. Solomon, though wise, needed what we and all sinners need: Christ, Wisdom Himself, and the forgiveness He brings. *Consider discussing, "Tell me an example of Solomon's wisdom. How has God shown you His wisdom?"*

Music In Sunday School

Sunday School meets 9:30 - 10:45 a.m. each week

This year, each class will have a music session a couple of times a quarter in their classrooms with Susan Nestleroth and Debbie Griffes in addition to the songs they teach us during Closing. This music time will also allow the children to prepare for our annual Sunday School Pageant. Auditions for speaking and singing parts will be held soon and a practice schedule will be announced soon. Please mark December 20 on your calendar. Our Christmas Pageant will be during the Sunday School hour on that day in the Sanctuary.

Elements of Worship

The Sunday School children will be familiar with parts of our worship when they attend worship with their parents. Last year, the children learned The Lord's Prayer. They have also learned some of our regular worship responses between leader and congregation. For example, the greeting, "The Lord be with you" is answered by the congregation with, "and also with you." This year, we will continue to reinforce those lessons and learn the Apostle's Creed. A creed is a statement of faith and reminds us of what we believe when recited. We have begun with the first article, "I believe in God, the Father almighty, creator of heaven and earth."

For Families

The Sunday School Gazette is published about once a week for families to stay informed about Sunday School and St. Mark's.

The newsletter is published on the church website, <http://www.stmarks-elca.org/>. Because of our online presence, photos of children will no longer be published regularly. We will create a back page for print purposes only when we have photos to share.
